Rationale

Schools are key in helping to raise the educational standards and improving the life chances of looked after children, and in tackling the causes of social exclusion through careful planning, monitoring and evaluation. Schools can also provide a source of continuity and “normality” for children who may have been subject to emotional distress, abuse, and disruption. School can be the place where children maintain friendships and a place where they feel safe and can be themselves.

Raising levels of achievement has been strongly and clearly highlighted as a major part of improving the life chances of looked after children and schools play a pivotal role in this.

Definition

The term “looked after” was introduced by the Children Act 1989. This refers to a child who is either accommodated (whereby the local authority provides for the child on an agreed basis with the person who has parental responsibility) or is subject to a care order (whereby a court order grants shared parental responsibility to the local authority in order to protect and promote a child’s welfare). Children in both instances could be living with foster carers, in a residential unit, in a residential school, with relatives, or even with parents on a part or full time basis.

Furthermore, the term “looked after”, which is widely used in social services is synonymous with the term “in public care”, which has been adopted by the DfES in their publication, “The Education of Young People in Public Care”.

Legal Framework

Recent legislation and guidance from the Department for Education and Skills (DfES) and the Department of Health (DH) requires schools to have effective policies for supporting and promoting the education of looked after children.

Schools must:

- Ensure access to a balanced and broadly based education to all looked after children
- Prioritise recording and improving the academic achievement of all looked after children
- Prioritise a reduction in the number of exclusions and truancies for all looked after children
- Ensure there is a designated teacher to advocate for the rights of looked after children
- Develop systems of communications and protocols
- Promote the attendance of looked after children

Objectives

We will:

- Work alongside social workers to ensure that each looked after child has a current Personal Education Plan in place.
- Provide a climate of acceptance and challenge negative stereotypes.
- Ensure all children who are looked after have the same opportunities to participate fully in the National Curriculum, careers guidance, extra-curricular activities, work experience, and enjoy the academy experience fully in line with corporate parenting principles.
- Ensure discretion when addressing a child's care status and ensure there is sensitivity to the background of children who are looked after, especially surrounding work on family.
- Ensure the designated teacher is provided with regular training, and that they cascade this training to Trust and academy staff as appropriate.
- Seek to review all academy policies regularly in the light of guidance from the Local Authority, Special Educational Needs Legislation, and joint Department for Education and Skills / Department of Health guidance on The Education of Children in Public Care.
- Ensure that a clear protocol for sharing of information will be followed both within the Trust, within each individual academy and with outside agencies.
- Endeavour to support all looked after children educated in this Trust to achieve to their fullest possible academic potential.

Roles and Responsibilities

Many looked after children do not want academy staff to be aware of their care status because it makes them feel "different". Therefore, we will negotiate with the child to identify who should be aware of their care status. However we do acknowledge that in some cases, such as if the child has a severe learning difficulty, this may not be possible. The named Child Protection Trustee will work in co-operation with the Principal and Designated Safeguarding Lead Teacher for Looked After Children as the named staff responsible for ensuring that all looked after children have equal access to all learning opportunities in line with their peers. The Principal and Designated Safeguarding Lead Teacher also have specific responsibilities for supporting the rest of the staff in their training and work with looked after children.

The named Trustee should be satisfied that :

- the Trust has a coherent policy for looked after children
- the Trust's policies and procedures are reviewed in the light of social inclusion guidance and joint DH/DfE guidelines
- the designated teacher has received appropriate training
- looked after children have equal access to all areas of the curriculum
- the Board of Trustees receives an annual report to be included as part of the annual safeguarding report to Trustees
- there is a DSL with responsibility for LAC

The Principal will:

- appoint the designated teacher
- ensure that the designated teacher has received appropriate training
- oversee the development of the policy on looked after children

- be responsible for all systems to support looked after children.
- report to the trustees on an annual basis on the following:
 - the number of looked after pupils in the school
 - an analysis of test scores as a discrete group, compared to other pupils
 - the attendance of pupils, compared to other pupils
 - the level of fixed term and permanent exclusions, compared to other pupils
 - the number of complaints

The Designated Safeguarding Lead Teacher

The designated teacher will serve as the contact for social services and the education department and will maintain responsibility for several key areas to support looked after children within the Trust. This includes serving as an advocate for all looked after children in each academy.

The designated teacher will help establish and maintain the ethos regarding looked after children of the academy by:

- maintaining and respecting confidentiality of all looked after children and ensuring information is shared on a strictly 'need to know' basis
- ensuring that all staff, through appropriate training, are aware of the difficulties and educational disadvantages faced by looked after children and understand the need for positive systems to support them, whilst maintaining appropriately high expectations for their educational achievements
- acting as an advocate for looked after children in order to allow them equal access to educational opportunities and support with important decisions affecting future life chances

The designated teacher will set up systems to monitor and record the progress of all looked after children. S/he will:

- have an overview and co-ordinating role for gathering and holding all information regarding children who are looked after
- maintain records regarding all looked after children, including legal status and information regarding who should be contacted regarding matters concerning the child
- establish a system for contacting and forwarding educational records to new schools or academies to facilitate a smooth and speedy transfer
- monitor the educational progress of all looked after children and intervene, in co-operation with other agencies if required, if there is evidence of underachievement, absence from the academy or internal truancy, or other similar concern

The designated teacher will facilitate effective communication by:

- building positive home-academy relationships between parents / carers with regular opportunities for dialogue
- being proactive and participating in setting goals for the child's PEP
- playing an active role in care planning by ensuring that the attendance of the most appropriate member of staff and/or written reports are provided to all statutory reviews of looked after children
- helping co-ordinate education and PEP meetings
- serving as the named contact for colleagues in social services and education
- ensuring effective communication between all relevant parties

- inviting the responsible social worker to all meetings, and liaising with this social worker regarding the development of Personal Education Plans (PEP).

The designated teacher will monitor each child's achievement and ensure that they have the support they require within the Trust:

- by meeting with the looked after child to discuss who needs to know they are looked after and to ensure that the young person is informed of their role
- by ensuring each child has a named member of staff who can provide advice and/or practical help on academic or pastoral issues (this maybe the class teacher in a primary academy)
- by ensuring each child has a Personal Education Plan
- by requesting support from the SENDCo and/or outside agencies, including the Education of children Looked After Service, if a looked after child requires additional academic or behavioural support
- by working closely with the SENDCo to ensure all looked after children with special educational needs are being assessed and are getting appropriate resources to support their learning
- by having a strategy for key stage or new school/academy transitions
- by ensuring the involvement of the Connexions service with children in key stage four
- by encouraging all children to continue on to further or higher education
- by ensuring all looked after children are made to feel a part of the academy environment

The Designated Safeguarding Lead Teacher is Madasar Mirza.

The DSL for LAC is Emma Josephs.

Personal Education Plans

Each child will have a Personal Education Plan (PEP), which their social worker will take the lead in developing. However, the Trust's role in this plan is crucial and at least one member of staff who knows the child well will attend the meeting to establish and subsequently review this. Other staff will contribute in writing as appropriate.

The PEP will consider the child's:

- strengths and weaknesses academically and socially
- interests, both in and out of the academy
- developmental and educational and pastoral needs
- future plans, and how these can be supported
- issues arising for the child
- It will also identify targets that will be reviewed during the next PEP meeting.

Admission/Induction Arrangements

Looked after children are a priority for admission and, as an Academy Trust we set and publish our own admission criteria.

On admission, the child will meet with the designated teacher and their named member of staff. They will discuss any relevant issues, academic or pastoral, and ensure the child is

made to feel comfortable in our academy. Records will be requested from the child's previous school/academy and as soon as practicable after they are received a meeting will be held with the carer / parent, social worker, and other relevant professionals, and child as appropriate. This will provide information to inform the child's new Personal Education Plan, and ensure that communication systems are established early.

In the first PEP meeting, we will seek clarification from the social worker as to who requires academy reports and who may give permission for academy trips or other such activities. At this meeting any means of communication to aid the fluid exchange of information between statutory meetings will be discussed and agreed (such as a home/academy book to detail any sudden significant changes in a child's circumstances.)

Academy Trips and Special Activities

Given the delays that looked after children experience in getting parental consent for academy trips and activities, we will aim to ensure that looked after children enjoy the same extra-curricular opportunities as other children by reserving placements for them on trips or on activities.

Virtual Schools Head

The DSL for LAC will work with the Virtual Schools Head with regards to the Pupil Premium funding for LAC how it can best support the child.

Home academy agreement

At the beginning of a new placement, even if temporary, the carer and child are expected to read and sign the home academy agreement.

Complaints

If a young person, parent or social worker wishes to complain about the provision or policy, they should in the first instance raise it with the designated teacher, who will try to resolve the situation.

If the issue cannot be resolved within 10 days, the young person, carer or social worker can submit a formal complaint in writing to the Principal. The Principal will investigate the complaint and respond within 10 working days.

Any issue that remain unresolved at this stage should be addressed through a meeting in order to assess the impact of any such complaint upon the young person's education. This meeting may include the named Trustee and any other outside agency that both parties deem necessary to attend. This meeting should normally be held within 10 working days of the Principal's response.
